

# ArctiChildren InNet (2012-2014) ENPI – Empowering School e-Health Model in the Barents region

## Project activities during spring 2013 and autumn 2013 – How do we commit the schoolchildren to development work?

### Activities

#### **Spring 2013:**

- National and cross border development work at pilot schools.
- Planning meeting via video about publications.
- Video meeting about ongoing development processes.
- Test webpage translation into English by week 11. Chat-simulation translation into English.
- Collaboration with University of Manitoba, Canada.

#### **Autumn 2013:**

- Eiri Sohlman and Mikael Kojo visits to all four countries.
- National and cross border development work at pilot schools.

### Seminars:

#### **Autumn 2013:**

- Alta, Norway, week 41 or 42. (Middle of the week).
