

Kevätkävely | Spring walk

Teemme vaelluksen kevään kauneimpaan aikaan idyllisissä maisemissa. Sokerihuurrettu maisema aukee meille metsissä ja soilla, ja ehkä onnistumme nauttimaan iltapalaa revontulien loisteessa. Majoitumme perinteisissä puulämmitteisissä mökeissä.

Päivittäin kävelemme n. 6 tuntia. Retki ei vaadi aiempaa lumikenkäilykokemusta, mutta maaston ja päivittäisen kävelyn määrän vuoksi kohtalainen fyysinen kunto on tarpeen.

We hike in the middle of the most beautiful spring time in idyllic scenery. The frosted landscape delights us in the woods and marshes, and if we get lucky, we can enjoy supper under the blaze of the Northern Lights. We stay in traditional wood-heated cottages.

We walk about 6 hours a day. The trip does not require any previous snowshoeing experience, but due to terrain and amount of daily walking, moderate physical fitness is required.
